# Health Program Benefits

Promoting wellness and healthy living continues to be an important focus for the University of Rochester. To support our ongoing commitment, the University offers a benefits package designed to help faculty and staff and Strong Memorial Hospital residents and fellows make good health care decisions that not only help you live better, but also help you better manage health care costs.

The University of Rochester is committed to providing you and your family with a comprehensive and competitive benefits package. In order to meet this commitment and our business goals, we

developed this Health Program Guide to highlight the benefits, programs, and services available to you.

Take the time to explore this Guide to learn more about the benefits and services that may help you change your behavior to become more involved in your health and use your benefits as wisely as possible. View the Summary Plan Description (SPD) for additional plan and benefit information; a copy of the SPD and benefit summaries are available online at the Office of Total Rewards website and will be provided free of charge upon request.

## Put Your Health First

Take a more active role in your health. Eligible individuals can take the online health survey 1, part of the Personal Health Assessment (PHA), enroll in a lifestyle management or condition coaching program, and earn incentives. For more information, contact Well-U at (585) 273-5240 or by email at [well-u-info@rochester.edu](mailto:well-u-info@rochester.edu).

Please note that individual LTC policies purchased through Legacy Services are not part of Plan 519 or any other employee benefit plan sponsored by the University.</p>			

# Your Guide to Making Enrollment Decisions

Health Care Plans, Prescription Drug Plan, Dental Plans, FSAs, and HSA

## Choose and Use Benefits Wisely

You make choices each day that are unique to your work, family needs, and personal interests. Be sure to take time to carefully consider your benefit needs and options before making your elections. Consider the types of services and benefit features you need or want and the amount you can reasonably afford to pay out of pocket for the coverage.

Remember that your role as a responsible health care consumer does not end

once you enroll for benefits. Throughout the year, you should take an active role in managing your health by maintaining a healthy lifestyle, choosing Accountable Health Partners or in-network<sup>1</sup> providers

<sup>1</sup> Doctors, hospitals, or other health care facilities that are affiliated with Excellus Blue Cross Blue Shield. When you use a doctor, hospital, or other health care facility that is in-network, your out-of-pocket costs are lower, because these providers have agreed to accept discounted rates in return for your use of their services and because the benefit coinsurance is higher.

when appropriate, evaluating your health care choices when care is needed, and using available resources wisely.

## Eligibility Definitions

*Active Union (1199 SEIU, SEIU Local200, IUOE, URPSOA)*—means an employee of the University whose employment and benefit eligibility is governed by the terms of a collective bargaining agreement entered into between the University and a bargaining unit.

*Active Full-Time*—means, for hourly staff (excluding those professional, administrative, and supervisory paid hourly): a regular<sup>2</sup> weekly work schedule of at least 35 hours; for all professional, administrative, and supervisory staff: a weekly work schedule of 40 hours or more; for faculty: a normal full teaching and research load as defined for the faculty by the college or school concerned.

*Active Part-Time*—means a regular<sup>2</sup> weekly or monthly schedule which is less than that required for full-time status but not less than 17.5 hours per week in the case of hourly and professional, administrative, and supervisory staff. For faculty it indicates that the individual carries at least half the normal (full) teaching and research load as defined for faculty by the college or school concerned.

*Active Residents/Fellows*—means an individual who is classified as a full-time resident or fellow through the University, holds a degree of Doctor of Medicine, and is a member or eligible for membership of the AMA.

*Active Post-Docs*—means an individual with a Postdoctoral Appointment involving substantial full-time research or scholarship. It is a transitional position and is viewed as preparatory for an academic

and/or research career. The appointee is not part of a clinical training program. The appointee was recently awarded the PhD or equivalent doctorate, works under the supervision of a faculty member, and has the freedom and is expected to publish the results of his/her research or scholarship during the period of the appointment.

*Appointment*—means the action which begins a relationship with the University in a specific position, such as member of the faculty; the period during which such a relationship is in effect.

*Children*—means an employee's biological or legally adopted children, in addition to step-children and children who are placed with the employee by an authorized placement agency or by judgement, decree, or other order of any court of competent jurisdiction.

*Continuous Employment*—means actively at work in a position eligible for the full range of University Benefit Plans. Absences due to leave of absence or layoff would be included in determining continuous employment.

*Domestic Partner*—means the same or opposite gender partner of an employee, who, together with the employee, satisfies all of the following criteria:

- Have an exclusive mutual commitment, similar to that of marriage;
- Are each other's sole domestic partner and intend to remain so indefinitely;
- Are not legally married to each other or to anyone else in a marriage recognized by state or federal law;
- Are not related by blood to a degree of closeness which would prohibit legal marriage in the state in which the partners legally reside;
- Are at least 18 years of age and are legally competent to contract;
- Are currently residing together and have resided together in a common

household for at least six consecutive months and intend to reside together indefinitely;

- At least six months have elapsed since the Office of Total Rewards has received a Statement of Termination of Domestic Partnership from either partner; and
- Share joint responsibility for the partners' common welfare and financial obligations demonstrated by: (a) the existence of a domestic partner agreement filed through the City of Rochester or another local municipality (a qualifying domestic partnership agreement is a legally binding agreement between two individuals creating personal and financial interdependence, i.e., joint and several liability for each other's debts and expenses, responsibility for mutual care, etc.); and (b) at least two other items showing joint responsibility, such as joint bank accounts, joint deed, mortgage agreement or lease, joint credit account or other liability, joint ownership of a motor vehicle, designation of domestic partner as primary beneficiary for life insurance or retirement contract(s), designation of domestic partner as primary beneficiary of will, durable property or health care power of attorney, co-parenting agreement, or an adoption agreement.

**Please note:** You will have imputed income and be taxed on the value of your domestic partner's and/or your domestic partner's children's health/dental coverage paid by the University if they do not qualify as your federal tax dependents. Additionally, you will need to pay for premiums for these individuals on an after-tax basis. If your domestic partner and/or his/her dependent children qualify as your tax dependents under federal tax law, you should complete the Affidavit of Domestic Partner's Federal Tax Dependent Status

<sup>2</sup> "Regular" means a period of appointment in hourly and professional, administrative, and supervisory positions that is expected to exceed four months, unless otherwise defined in collective bargaining agreements; period of appointment for faculty-instructional staff that is at least one year (or one academic year) or, if shorter, is expected to be renewed. Appointments primarily for furthering education (for example, graduate assistant) are not considered "regular" appointments.

for University Health Benefit Plans. The University encourages you to get advice from a tax professional regarding whether your domestic partner and/or his/her children are your tax dependents and qualify for pre-tax benefits prior to completing this affidavit. If they do not qualify, you do not need to complete the form.

*Hired*—means, for purposes of determining post-retirement benefits, an appointment to a position that is eligible for the full range of University Benefit Plans.

*LTD Employee*—means an eligible faculty or staff employee who (1) is receiving long-term disability benefits from the University, (2) is Medicare-eligible, and (3) has enrolled in Medicare Parts A and B as of his/her Medicare-eligibility effective date. For purposes of University medical benefits, Medicare will be the primary payer.

*Rehired*—means, for purposes of determining post-retirement benefits, “an appointment to a position that is eligible for the full-range of University Benefit Plans from an appointment that was not eligible for the full range of University Benefit Plans or following termination or retirement.

*Retiree*—means, for University retired faculty and staff members:

- Regular full-time and part-time faculty and staff who were hired or rehired prior to 1/1/96 and who have

retired with University consent and (1) who have reached age 55 and (2) who have met the 15-year service requirement. (The 15-year service requirement may be met by cumulative employment at the University or another higher education institution.)

- Regular full-time and part-time faculty and staff who were hired or rehired 1/1/96 and thereafter and who have retired with University consent and (1) who have reached age 60, and (2) who have met the 15-year service requirement. (The 15-year service requirement may be met by cumulative employment at the University or another higher education institution, as long as there is continuous employment at the University for the immediate five years prior to retirement.

*Retirement or Retire*—means the ending of an appointment (whether voluntary or involuntary) after satisfying the requirements to be treated as a Retiree.

Once retired, Post-Retirement Benefits continue to be based on status and years of service at the time of initial retirement, even if the Retiree returns to work. Retirees will receive the full University subsidy contribution at 15 years versus previous prorated contributions based on years of service. Employees can retire at a part-time status and receive the full-time contribution if they cumu-

latively meet the full-time equivalent service requirement. There is no adjustment to the Grandparent Level, years of service, or age calculation to determine the level of Post-Retirement benefits based upon Post-Retirement Rehire and employment. However, in the event a Retiree returns to work and becomes eligible for Health Care Plan coverage, Dental Plan coverage, and/or University-paid Basic Term Life insurance coverage because the Retiree has satisfied the eligibility criteria for active employees to participate, the Retiree will be limited to the active employee options and will become ineligible for the post-retirement benefit options.

*TAR (Time-As-Reported)*—means an appointment with (1) no regular schedule, or (2) in which the individual is expected to work fewer than 17.5 hours per week in the case of hourly and professional, administrative, and supervisory staff, unless otherwise defined in collective bargaining agreements. For faculty it indicates that the individual carries less than half the normal (full) teaching and research load as defined for faculty by the college or school concerned.

*Termination*—means an ending of appointment for reason other than retirement.

*Spouse*—means the employee’s current spouse, if the marriage was valid in the state or country where it was performed.

# How to Enroll: New Hires and Newly Eligible Faculty and Staff

*Health Care Plans, Prescription Drug Plan, Dental Plans, Vision Plan, FSAs, and HSA*

Enrolling for benefits is easy. The following checklist takes you through the steps you need to complete to elect your Health Program options for 2025.

All required forms are available at the Office of Total Rewards or online at [www.rockefeller.edu/totalrewards/forms](http://www.rockefeller.edu/totalrewards/forms).

Individuals covered by collective bargaining agreements receive benefits in accordance with those agreements. Copies of those agreements are available upon written request.

## 1. Review this Guide.

Carefully read this Guide and the other information provided to you to understand all of the Health Program option(s) available to you and your dependents.

## 2. Review the Health Plans Comparison Chart.

The chart compares the YOUR PPO Plan and the YOUR HSA-Eligible Plan. It also shows how services are covered under each of the Plans.

## 3. Learn about the Plans.

Read the benefit booklet from Excellus BlueCross BlueShield to understand how the Plans work. Read the Summaries of Benefits and Coverage for additional information. These can be obtained by contact-

ing the Office of Total Rewards or online on the Office of Human Resources website.

## 4. Utilize the Online Benefits Decision Tool.

ALEX is an online benefits decision tool that will help you understand the various benefit options and empower you to make informed decisions when it comes to making your benefit elections.

## 5. Enroll for Benefits.

If you are a new hire and are enrolling for the first time, you can enroll for benefits online using HRMS within 30 days of your hire date. To enroll online, log on to HRMS at [www.rockefeller.edu/people](http://www.rockefeller.edu/people). Select Main Menu, Self-Service, then Benefits, and then Benefits Enrollment.

If you do not wish to enroll online,

- download the enrollment form at [www.rockefeller.edu/totalrewards/health](http://www.rockefeller.edu/totalrewards/health) (go to Forms and resources), or
- contact the Office of Total Rewards for the enrollment form by calling (585) 275-2084 or emailing [totalrewards@rockefeller.edu](mailto:totalrewards@rockefeller.edu).
- Submit the completed form via email to [totalrewards@rockefeller.edu](mailto:totalrewards@rockefeller.edu)

## Understanding your Benefit Administrators

The University of Rochester has partnered with Excellus BlueCross BlueShield to be the third-party administrator (TPA) for our health care plans. TPAs are responsible for processing medical insurance claims from doctors and hospitals, in addition to helping your health plan stay in compliance with federal regulations.

## Pharmacy Benefit Manager

Navitus is the pharmacy benefit manager (PBM) for the University of Rochester. A PBM directs prescription drug programs and processes prescription claims by negotiating drug costs with manufacturers, contracting with pharmacies, and building and maintaining drug formularies. These cost-saving strategies will lower drug costs and promote good health.

Additionally, your Health Savings Account (HSA) administrator is HSA Bank, and your Flexible Spending Account (FSA) and COBRA administrator is Lifetime Benefits Solutions.

Retiree health coverage is maintained through University health plans until age 65. At that time, it is your responsibility to enroll in Medicare. You will be contacted in advance of your 65th birthday by ViaBenefits to discuss transition of plans.

# Changing Your Benefits

*Health Care Plans, Prescription Drug Plan, Dental Plans, FSAs, and HSA*

## Can I Enroll at Another Time?

Annual Open Enrollment is the primary time you can enroll or make changes to your Health Care Plan options, Dental Plan, and FSA contributions. Outside of Open Enrollment, you can only enroll in or change your Health Care Plan options, Dental Plan options, Vision Plan options, and FSA contributions or add/remove eligible dependents to/from your Health Care Plan and/or Dental Plan, if you have a corresponding qualifying event or a HIPAA special enrollment period.

## Qualifying Event Enrollment Period Changes

Additional qualifying events are provided in Appendix A, but common qualifying events include:

- Change in legal marital status (marriage, divorce, death of spouse, or annulment)
- Change in number of dependents (birth, adoption, placement for adoption, or death)
- Change in your employment status (that affects your benefit eligibility) or that of your spouse or dependent
- Dependent satisfying (or ceasing to satisfy) eligibility requirements for coverage (reaching the age at which coverage is no longer available, etc.)
- Change in cost of day care coverage, such as a significant increase or decrease in costs charged by your current day care provider or a change in your provider (this applies to the Dependent Care FSA only).

Any changes you make must be “due to and consistent with” your qualifying event. The Plan Administrator will determine whether a requested change is due to and consistent with a qualified change in status.

The consistency requirements vary depending on the type of qualifying event. To satisfy the “consistency rule” for certain qualifying events, including those events listed above, your qualified change in status and corresponding change in coverage also must meet both of the following requirements:

- **Effect on eligibility.** Except for the Dependent Care FSA, the qualified change in status must affect eligibility for coverage under the Plan or under a plan sponsored by the employer of your spouse or other dependent. For this purpose, eligibility for coverage is affected if you become eligible (or ineligible) for coverage, or if the qualified change in status results in an increase or decrease in the number of your dependents who may benefit from coverage under the plan. For the Dependent Care FSA, the qualified change in status must affect the amount of dependent care expenses eligible for reimbursement. For example, if your child reaches age 13, his or her dependent care expenses are no longer eligible for reimbursement.
- **Corresponding election change.** The election change must correspond with the qualified change in status. For example, if your dependent loses eligibility for coverage under the terms of

the University Health Care Plan, you may cancel Health Care Plan coverage only for the dependent that lost eligibility. Additionally, you may change or begin contributions to your Health Care or Dependent Care FSA if you have or adopt a child.

**Note:** When changing due to a qualifying event, your FSA annual election cannot be reduced below the amount of payroll contributions already deducted or claims already submitted for the calendar year if it would result in a negative balance and the change must be consistent with the qualifying event.

Depending on the circumstances, you may also be able to make changes throughout the year for the following reasons:

- Court judgment, decree, or order to provide coverage to a dependent
- COBRA events
- An eligible dependent drops his or her coverage from another employer’s plan during an open enrollment period which is different than that of the University’s
- Commencement or return from FMLA leave
- Loss of Medicaid entitlement by you, your spouse, or dependent

As noted, additional qualifying events are provided in Appendix A, but you should contact the Office of Total Rewards if you have any questions regarding qualifying events.

## HIPAA Special Enrollment Period Changes

If you are declining enrollment in the plan for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if:

- you or your dependents lose eligibility for that other coverage, or
- an employer stops contributing toward the cost of your or your dependents' other coverage; or
- you or your eligible dependents exhaust COBRA coverage.

However, you must request enrollment within 60 days after your or your dependents' other coverage or COBRA ends (or after the employer stops contributing toward the other coverage).

In addition, you can request (within 60 days) to enroll in the plan or enroll your eligible dependents if:

- you marry, or
- you gain a new dependent because of birth, adoption or placement for adoption.

You can also request (within 60 days) to enroll in the plan or enroll your eligible dependents if you or your eligible dependent:

- loses Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- become eligible for a state's premium assistance program under Medicaid or CHIP.

To request special enrollment or obtain more information, contact the Office of Total Rewards at (585) 275-2084 or email [totalrewards@rochester.edu](mailto:totalrewards@rochester.edu).

## Questions

- Call Ask-URHR at (585) 275-8747 or email [ask-urhr@UR.Rochester.edu](mailto:ask-urhr@UR.Rochester.edu) if you have questions about enrolling through HRMS.
- Call the Office of Total Rewards at (585) 275-2084 or email [totalrewards@rochester.edu](mailto:totalrewards@rochester.edu) if you have questions about your benefit plans.

## Enrollment Form

Your enrollment form or enrollment done through HRMS must be received by the Office of Total Rewards within 30 days of when you are hired or becoming newly eligible for benefits. Benefit enrollment forms received after 30 days may result in no coverage until the next Open Enrollment or until you experience a qualifying event. (Please refer to Appendix A for when you can make benefit changes outside of Open Enrollment. All qualifying events require supporting documentation and a filled out enrollment form to the Office of Total Rewards within 60 days of the event.)

## How to Change Your Coverage

If you need to change your coverage because of a qualifying event, you will need to complete a Qualifying Event Change form and return the completed form along with documentation to support your qualifying event to the Office of Total Rewards within 60 days of the event. Effective date of coverage will generally coincide with the qualifying event date. Employees are responsible for any missed deductions due to their qualifying event date, in the next available payroll. If you are currently covering a domestic partner and get married, within 60 days of the date of the marriage you must submit the Personal Data Change Form and the Qualifying Event Form to update your spouse's relationship designation and avoid taxation issues related to health and/or dental premium deductions. See Appendix A for more information regarding permitted election changes and when they are effective.

## Failure to Enroll

If you do not enroll during the initial enrollment period, your Health Program coverage will be defaulted to:

- Waived (No coverage) for Health Care Plan
- Waived (No coverage) for Dental Plan
- Waived (No coverage) for VSP Vision Care
- Waived (No contributions) for Health Care, Limited Purpose and Dependent Care FSA

If you do not make coverage changes during the annual open enrollment period:

- Medical, Dental, and Vision Plan elections will continue
- Enrollment in Health Care, Limited Purpose, and/or Dependent Care FSAs will be discontinued as of the first of the year

## Limitations

- If you terminate coverage under the YOUR HSA-Eligible Plan as the result of a qualifying event, any contributions to your HSA via payroll deduction will stop on the effective date.
- If you enroll for coverage under the YOUR HSA-Eligible Plan as the result of a qualifying event, you may be eligible to contribute to a Limited Purpose Health Care FSA and an HSA; however, the HSA contribution maximums are prorated if you will be covered by the YOUR HSA-Eligible Plan for less than 12 months within the calendar year.
- If you are already enrolled in the Health Care FSA, you cannot enroll in a Limited Purpose FSA and HSA until the next Open Enrollment.

# An Integrated Approach

When it comes to the health and wellness of our employees and their families, we offer a wide array of programs and services to help you prevent or manage health issues affecting your life. Becoming healthier not only reduces risk for disease and helps us live longer, it also helps us live better.

The University is committed to promoting a culture of wellness. We offer opportunities for you to improve your health, ranging from a Personal Health Assessment consisting of online health surveys and biometric screening, lifestyle and condition management programs, fitness and wellness platform, University-wide challenges, and more choices for faculty and staff to lead happier, healthier lives.

Make a commitment to yourself and your family to become healthier.

It is up to you to take the steps to better health, but you do not have to do it alone. The University provides the support, tools, and resources to help you achieve your health goals.

## Steps to Take Charge of Your Health

Educate yourself about available health programs and become a confident, active consumer. Use your health care dollars effectively and make informed decisions about what care you need.

1. Complete your biometric screening and online health surveys.
2. Enroll in a lifestyle management program.
3. Enroll in condition management coaching (if eligible).

4. Participate in Well-U programs and events.
5. Utilize UR Medicine EAP and Behavioral Health Partners.
6. Review your Health Care Plan and Prescription drug options.
7. Review your annual wellness catalog.

## Behavioral Health Partners (BHP)<sup>3</sup>

BHP offers a range of outpatient mental health services, including individual therapies and medication consultation and management. Regular full-time and part-time faculty and staff and SMH residents and fellows age 18 and older enrolled in a University Health Care Plan, as well as non-Medicare-eligible retirees enrolled in a University Health Care Plan, may be eligible. Spouses, domestic partners, and dependent children of active employees or non-Medicare-eligible retirees who are age 18 and older and enrolled in a University Health Care Plan may also be eligible. BHP does not provide pediatric services, and, therefore, enrolled individuals under age 18 are not eligible for BHP benefits.

The cost of BHP services for University employees and dependents (age 18 and older) enrolled in a University health care plan:

- YOUR PPO Plan: Services received through BHP are not subject to the annual deductible and are covered at 100% by the Plan (i.e., there is no out-of-pocket cost).

## Learn about the University's Wellness Programs

Check out the University's employee wellness program, Well-U.

## Participate in Well-U Programs

Through Well-U, you may have the opportunity to participate in valuable programs, including:

- Departmental wellness challenges
- University-wide fitness challenges
- Wellness workshops
- Group hiking
- Department lectures
- Studio Sweat on Demand: fitness and wellness platform
- Well-U champion program

These programs are available virtually and in-person throughout the University and at off-site locations, making it convenient for you to participate.

## The Well-U Mission

Well-U, our award-winning wellness program, can help improve the health and wellness of University faculty and staff and SMH residents and fellows by promoting a work environment that encourages healthy behaviors and by providing the tools, resources, and education necessary to support healthy living.

For more information, go to [www.rochester.edu/well-u](http://www.rochester.edu/well-u), call (585) 273-5240, or email [well-u-info@rochester.edu](mailto:well-u-info@rochester.edu).

<sup>3</sup> Postdocs are not eligible

- **YOUR HSA-Eligible Plan:** Per IRS regulations, services received through BHP are subject to the annual deductible and are covered at 100% after the annual deductible is met.

BHP mental health professionals include psychologists, social workers, mental health therapists, psychiatrists, and psychiatric nurse practitioners who work together in a multidisciplinary team. BHP providers also work closely with primary care providers to understand and treat the mental health needs of those served.

BHP is a general psychiatry outpatient practice providing outpatient psychotherapy and pharmacotherapy services for persons with a primary mental health condition such as:

- Stress
- Depression
- Anxiety

Not all types of behavioral health services are covered through BHP. An initial appointment with a BHP clinician will help determine if services through BHP are right for you. Some individuals are better served with acute care or subspecialty services that are not available

through BHP. BHP does not offer treatment for the following:

- A primary diagnosis of impulse control disorders such as pathological gambling, kleptomania, pedophilia, caffeine, or nicotine use
- Detoxification, chemical dependency, and/or rehabilitation services for alcoholism or substance dependence disorders
- Conditions for which subspecialty care is indicated due to the severity of the mental health symptoms or the need for an alternative treatment setting

Other psychotic diagnosis not listed above and psychiatric emergency, inpatient treatment, or suicide attempt in the past six months.

BHP offers telehealth therapy services. To qualify for telehealth therapy, recipients must be registered patients in BHP. The patient must provide written

consent prior to the telehealth services being rendered, acknowledging that the service will be considered an evaluation and management service by the practitioner. Telehealth therapy procedures are as follows:

- The initial service, if appropriate, will be provided in a face-to-face visit, following which telehealth-delivered services may occur.
- The length, format, and treatment goals of telehealth sessions will be identical to those of face-to-face visits.
- Telehealth-delivered services will be documented in the electronic medical record in accordance with the standards that regulate face-to-face visits.

Patients who cannot be managed safely in an outpatient setting will be evaluated for hospitalization, per standard care protocol.

## Use Your Personal Health Record to Make Smart Health Care Decisions

When enrolled in a University Health Care Plan through Excellus BlueCross BlueShield, you and your covered dependents each have access to your own online Personal Health Record. This confidential resource will store any claims information you enter and provide you with convenient access to a range of health data. You can store your family's health information online for easy access. And, you can print a report to take to your next doctor's appointment or when you travel.

## Don't Have a Personal Physician? You Should. Here's Why.

**Better health.** Establishing a relationship with a primary care physician (PCP) is very important when it comes to staying healthy. Visiting the same physician for preventive and regular health care is one way that you and your family can be smart health care consumers and potentially save money. Getting the right health screenings each year can reduce your risk for many serious conditions. Not only will your PCP help you take advantage of preventive care covered at 100% by the University's Health Care Plans, a PCP is familiar with your health history and can help you determine what medical services are necessary. He/she is one of the few health care providers you'll see both when you're healthy and when you're ill.

Your PCP can also help coordinate any additional care you may need to seek from

multiple specialists and is responsible for keeping a record of your medical history. Therefore, it's important to always let your PCP know if something has changed with regards to your health. For example, if you've been prescribed medication by two different specialists, your PCP will be able to help you understand if there is any risk to taking both medications.

**Peace of mind.** Advice from someone you trust is important when you're healthy, but it's even more important when you're sick. Your PCP is familiar with your health history as well as your family's health history: this in-depth knowledge allows your PCP to be better able to determine the signs and symptoms they need to be aware of, especially if you or your family members are at risk for certain conditions. Although visiting a PCP prior to scheduling an appointment with a specialist or receiving other medical services is not required by the University's Health Care Plans, it's recommended to keep your PCP informed of your health concerns so they can help you and your family efficiently and effectively manage your health.

**A healthier wallet.** Being able to call or visit your PCP when you are sick or need medical advice helps you avoid costly and possibly unnecessary trips to an Urgent Care facility or the emergency room (non-emergency visits to the emergency room are not covered by your Health Care Plan). If you do not have a PCP and are interested in establishing this relationship, please visit Excellus BlueCross BlueShield ([www.excellusbcbs.com/ur](http://www.excellusbcbs.com/ur)) for information on in-network PCPs.

You also have access to Accountable Health Partner providers, a panel of University of Rochester Medical Faculty Group providers and carefully selected

community partners created to improve the health of our employees and their dependents. When you visit an Accountable Health Partner provider, you'll receive a higher level of coverage on your out-of-pocket medical costs, plus you will have a lower deductible<sup>4</sup>, copay<sup>5</sup>, coinsurance<sup>6</sup>, and out-of-pocket maximum<sup>7</sup>.

To find Accountable Health Partners providers in your area, visit <http://ahpnetwork.com/search-provider/>.

5 A fixed dollar amount you must pay to a provider at the time services are received

6 The percentage of the fee that the Plan pays for certain covered expenses once you have met your deductible

7 The maximum amount you pay each Plan Year to receive covered services after you meet your deductible. Once you meet your out-of-pocket maximum, the Plan pays 100% of covered services you receive. In-network and out-of-network services are subject to separate out-of-pocket maximums.

## Take Advantage of Prescription Drug Discounts

- You can receive discounts on your prescriptions and free delivery to most off-site University locations with daily courier service through the UR Employee Pharmacy.
- You can also save money by asking your doctor if there are generic equivalents available for brand name drugs you may be prescribed.
- Use the mail order program for a 90-day supply prescription to get three times the supply for two and a half times the price.
- Employees on the PPO Plan have a feature added on their plan called Access Guidance Services. The program offers savings for certain specialty prescription medications.<sup>8</sup>

8 Employees are only eligible while enrolled in the PPO Plan due to rules and regulations surrounding High Deductible Health Care Plans (HSA-Eligible Plan).

# Health Program

## Health Care Plans, Vision Benefits, Prescription Drug Plan, Dental Plans, FSAs, and HSA

The Plans available through the University Health Program can help you be a better health care consumer. The key is to use these Plans to change your behavior—by becoming more involved in your health, taking more responsibility for

making smart health care decisions, making healthy lifestyle choices, and using your benefits wisely.

The choices you make today—whether selecting health care coverage for you and your family for the upcoming year, or

deciding when and how to use health care services on a day-to-day basis—have a direct impact on the health care costs you and the University pay tomorrow.

## Your Health Care Plan Choices for 2025

The University of Rochester offers two Health Care Plans that focus on features that support the University's goals of fostering a culture of wellness, reducing health care expenses, and encouraging faculty and staff and SMH residents and fellows to take an active role in managing personal health. Take some time to understand the different Plan options available to you, so you select the Plan that is cost effective and appropriate for your needs—and those of your family.

### Your Health Care Plan Options<sup>9</sup>

You can choose from the following options:

- YOUR HSA-Eligible Plan
- YOUR PPO Plan

You also may choose to waive health care coverage.

### How the Health Care Plans Are Alike

**Both plans:**

- Are a PPO (Preferred Provider Organization)

- You can choose to receive care from:
  - Accountable Health Partners (Tier 1)
  - Providers within the Excellus national network (Tier 2)
  - Out-of-network<sup>10</sup> (Tier 3)
  - **Note:** You may pay more for services received within the Excellus national network (Tier 2) or out-of-network (Tier 3).
- Give you access to a nationwide network of doctors, hospitals, and treatment facilities that have agreed to charge lower, negotiated rates for care. You can choose to receive care in or outside of the TPA's network, but you may pay more for care outside of the TPA's network.
- Allow you to visit Accountable Health Partners providers, which provide a higher benefits level with a lower deductible, copay, coinsurance, and out-

of-pocket maximum than using a TPA provider who isn't part of Accountable Health Partners.

- Do not require that you have a PCP, but it is recommended that you select one, and referrals are not required for specialists or other necessary health care services.
- Emphasize preventive care with 100% in-network coverage to encourage regular check-ups and wellness services. **Note:** All care is subject to meeting the clinical policies established by Excellus.
- Require you to pay more if you choose a brand name drug when a generic equivalent exists. You will be responsible for the copay plus the cost difference between the brand name and generic equivalent, even if your doctor prescribes a brand name drug unless the generic is medically inappropriate in accordance with Navitus's medical management guidelines such as if it is ineffective, not available at retail locations, or has dangerous side effects.

<sup>10</sup> Doctors, hospitals, or other health care facilities that are not affiliated with the third-party administrator you have selected. When you use a doctor, hospital, or other health care facility that does not participate in the network, your out-of-pocket costs are higher because these providers have not agreed to accept discounted rates and because the benefit coverage is generally lower.

<sup>9</sup> Health care plan options for Postdocs are not described in this booklet, but rather in the separate certificate of coverage.

- Will decrease your copays/coinsurance or the out-of-pocket cost for prescription drugs that are filled at the University of Rochester Employee Pharmacy.
- Provide similar discounts for a 90-day supply of prescription drugs through the University of Rochester Employee Pharmacy and mail order program.
- Require you to purchase specialty drugs from the University of Rochester Employee Pharmacy.
- Require prior authorization for Medical Speciality Drugs.

## How the Health Care Plans Differ

The Health Care Plan options vary when it comes to what you pay for:

- Your employee contributions for the Plan option you choose, and
- Your deductibles, coinsurance, copays, and out-of-pocket maximums when you receive care.

Additionally, the options offer different pre-tax accounts—the YOUR HSA-Eligible Plan includes the option to contribute to an HSA and a Limited Purpose Health Care FSA, while the YOUR PPO Plan allows you to contribute to a Health Care FSA.

If you enroll in the YOUR HSA-Eligible Plan but do not elect to have an HSA, you can elect to contribute to a Health Care FSA. You can only contribute to a Limited Purpose Health Care FSA if you elect to contribute to an HSA.

## Deductibles/Out-of-Pocket Maximums

The YOUR PPO Plan (for inpatient, outpatient, urgent care, emergency room visits, and out-of-network care) includes embedded single deductibles within the family deductibles and out-of-pocket maximums for each of the three plan tiers. If you are enrolled in the Plan for

Employee and Child(ren), Employee and Spouse/Domestic Partner, or Family coverage, once one family member satisfies the single deductible, the Plan will begin to reimburse eligible health care expenses for that family member. If you are enrolled in two-person coverage (i.e., employee and spouse or employee and child), each member would satisfy the single deductible; the family deductible would not apply. The same rule applies to the out-of-pocket maximum; all copays, including pharmacy copays, will also be covered at 100% once the out-of-pocket maximum is met. Any combination of eligible expenses for covered family members can be used to meet the family annual deductible/out-of-pocket maximum, at which point all family members will have met the deductible/out-of-pocket maximum requirements; the deductibles and out-of-pocket maximums cross-apply between AHP, in-network, and out-of-network providers.

The YOUR HSA-Eligible Plan requires that the family deductible be met (for any coverage level other than Single), before coinsurance will begin for any family member.

Similarly, the YOUR HSA-Eligible Plan requires that the family out-of-pocket maximum be met (for any coverage level other than single), for Tier 1/Accountable Health Partners and Tier 3/Out-of-Network before the Plan will cover expenses at 100% for any family member. The YOUR HSA-Eligible Plan includes an embedded out-of-pocket maximum (OOPM) for Tier 2 services. There is a \$9,000 embedded individual OOPM included in the family OOPM. If any individual in your family incurs \$9,000 of eligible claims expenses during the plan year, the plan will pay 100% of that individual's covered expenses for the remainder of the year.

## Example of Embedded Family Deductible

If you are a family of four (yourself, your spouse/domestic partner, and two children), visit Accountable Health Partners providers, and you are enrolled in the YOUR PPO Plan, the deductible would work as follows:

- If you receive in-network care and satisfy the single deductible of \$500, the Plan will begin to pay coinsurance for you.
- If your spouse receives health care services and satisfies his or her single deductible of \$500, the Plan will begin to pay coinsurance for him or her\*. So far, you have applied \$1,000 to the \$1,250 family deductible, because the single deductibles count towards the family deductible.
- This means that when the next person in your family receives health care services, he or she only has to pay \$250 before the Plan begins to pay coinsurance, because your family will have met the \$1,250 deductible.
- Once the \$1,250 family deductible is satisfied, all members will be subject to coinsurance with no further deductible requirements, assuming care is received in-network.

The out-of-pocket maximums follow the same pattern as the deductibles but include all copays, including pharmacy expenses in addition to eligible medical expenses.

\* If you have one dependent on your plan (i.e., employee and spouse), you would each satisfy the single \$500 deductible; the \$1,250 family deductible would not apply.

# University Health Care Plans—An Overview

In 2025, you can choose between the YOUR HSA-Eligible Plan and the YOUR PPO Plan. Both Plans cover the same services and are designed to help you take control of your health and the dollars you spend on your health care.

Only you can decide which Plan is best for you. You owe it to yourself and your dependents to assess how you think you will use benefits in the coming year (e.g., annual physicals, medications) and determine which benefit options will help

you maximize your savings while meeting your health care needs.

## Key Features of Each Plan

# Services Under Your Health Plan

If you enroll for coverage under the University Health Care Plans, Excellus BlueCross BlueShield will be your health care plan administrator, and Navitus will be your pharmacy benefit manager. Review the information below to learn more about the services available to you.

	Services
<b>Provider Networks</b>	Excellus maintains its own national network of providers and reimburses them at different levels. You may want to confirm that the providers you and your family use are participating providers.
To locate a network provider	To locate an Excellus BlueCross BlueShield provider, refer to "Find a Doctor" at <a href="http://www.excellusbcbs.com/ur">www.excellusbcbs.com/ur</a> . Please refer to the links when you scroll down the page and select the appropriate link to find a local, national, or international provider.
<b>Preventive Services Coverage</b>	Preventive services are covered at 100% if you use an in-network provider (including an Accountable Health Partners provider). To ensure 100% coverage, you should confirm that the service you are seeking is preventive, as determined by Excellus, and that your doctor will bill Excellus appropriately. All care is subject to meeting the clinical policies established by Excellus who administers your University Health Care Plan. Excellus may apply different medical management techniques and frequency guidelines for preventive care.

# Health Plan Resources Available to You

A variety of resources are available to help guide your decision about which health Plan may provide the best coverage and value for your money.

## Provider Search Tools

Go to [www.excellusbcbs.com](http://www.excellusbcbs.com) and select Find A Doctor, then Find A Doctor/Provider to find a local provider. To find an AHP provider, visit the AHP website at [www.ahpnetwork.com](http://www.ahpnetwork.com) or call 1-888-457-7463.

### Remember!

Visiting an Accountable Health Partners provider gives you an even greater level of savings on cost sharing. To find Accountable Health Partners providers in your area, visit <http://ahpnetwork.com/search-provider> or call 1-888-457-7463.

## Cost of Care Estimating Tools

Excellus BlueCross BlueShield offers personalized cost estimator tools to facilitate Plan selection and other resources to help take the challenge out of benefits selection, make informed health care decisions, and know what you may pay out of pocket before ever making an appointment.

To access the Treatment Cost Advisor and Provider Selection Advisor tools:

- Go to [www.excellusbcbs.com/ur](http://www.excellusbcbs.com/ur) and click on Log in/Register near the top of the page.
- Type in your login and password (first-time users will have to register and create an account).
- Click on Resources, and then Estimate Treatment Costs.

## Out of Area Payment Program

Active employees enrolled in a University Health Care Plan who must reside and perform their University work in a county outside of AHP's provider network geographic locations—due to the business needs or nature of a particular position for the University—may be eligible to receive a semiannual compensation adjustment. Individuals must be actively working in the eligible position at the time of reimbursement. Currently, the AHP provider network locations include the following 25 counties: New York-Allegany, Broome, Cayuga, Chemung, Chenango, Cortland, Delaware, Genesee, Livingston, Monroe, Onondaga, Ontario, Orleans, Schuyler, Seneca, Steuben, Tioga, Tompkins, Wayne, Wyoming, and Yates. Pennsylvania-Bradford, Sullivan, Tioga, and Wyoming. If you believe you are eligible for this program, please have your supervisor or manager contact the Office of Total Rewards.

# Flexible Spending Accounts and Health Savings Account

The University offers two ways to help you save on taxes when you have eligible health care, dental, and/or dependent care expenses. They are:

- Flexible Spending Accounts (FSAs)
  - Health Care FSA (for those eligible for a University Health Care Plan)
  - Limited Purpose FSA (for those enrolled in the YOUR HSA-Eligible Plan and contributing to an HSA)
  - Dependent Care FSA (for dependent day care expenses)
- Health Savings Account (HSA) (for those enrolled in the YOUR HSA-Eligible Plan)

## A Flexible Spending Account (FSA)

FSAs offer you a great way to save on eligible health care or dependent care expenses. If you participate, you choose how much to contribute for the Plan Year. Each pay period, your contributions are automatically deducted from your paycheck in equal amounts—before taxes—and deposited into your FSA. Then, when you incur an eligible expense, you submit a manual claim or use your FSA Health Spending Card to cover your qualified expenses. Since you are using tax-free money to pay for your eligible expenses, you reduce your taxable income, save on taxes, and increase your take-home pay.

## Carrying Over FSA Funds

According to IRS rules, your elected FSA contributions can only be used to reimburse expenses incurred between January 1, 2025, and December 31, 2025. You may be eligible to roll over a certain amount of unused Health Care FSA or Limited Purpose FSA funds to the following plan year if you make an active election during Open Enrollment to contribute to a Health Care FSA or Limited Purpose FSA in the upcoming plan year. See the Total Rewards website for the most up-to-date details. If no election is made, unused funds will be forfeited. You will have 120 days beginning January 1, 2026, to file your 2025 claims.

## A Health Savings Account (HSA)

An HSA can help you manage your health care and save for future health care expenses. In fact, it can offset the cost of the deductible and other out-of-pocket costs of the YOUR HSA-Eligible Plan.

It also offers the potential for some significant tax advantages. Contributions you make to your HSA are tax deductible and earn interest tax-free. HSA funds also are not taxed when withdrawn to pay for qualified health care expenses.

An HSA is like having your own health care checking or savings account. How you use the funds in your HSA is entirely up to you—you can use them to pay for eligible health care expenses until you meet your deductible, or you can save them for future expenses. You will not pay federal income taxes on your HSA as long as you use the funds for qualified health care expenses.

## HSA Regulations

- You cannot be reimbursed for any health care expenses incurred before your HSA is established.
- You cannot contribute to an HSA if you are eligible to be claimed as someone's dependent on their tax return.
- You cannot be enrolled in another health care plan—for example, through your spouse or Medicare (Parts A, B, C, and/or D).
- You or your spouse cannot enroll in a Health Care FSA through the University or another employer; however, you or your spouse may enroll in a Limited Purpose Health Care FSA through the University or another employer.
- You cannot contribute to an HSA if you or your spouse has an HRA that could reimburse your claims.
- Expenses for domestic partners and their children are not eligible for reimbursement from the HSA on a pre-tax basis unless they are your tax dependents under the Internal Revenue Code.
- Only certain types of expenses are eligible to be paid by funds in an HSA. Distributions from your HSA will be reported to you and the IRS on Form 1099-SA for all withdrawals even if they were used to pay for qualified expenses and are not taxable. If the distribution was used for a non-qualified expense, such as an over-the-counter medication, you must report that amount as income on your federal tax return and you also may be required to pay a 20% excise tax. Please consult with your tax advisor for more information.

## HSA or Health Care FSA—What Is Right for You?

The University of Rochester gives you the opportunity to contribute pre-tax dollars that you can use to pay for eligible health care, dental, and vision expenses not paid for by either plan. The HSA is available when you enroll in the YOUR HSA-Eligible Plan and meet the eligibility requirements set by the IRS. The Health Care FSA

is available if you select the YOUR PPO Plan or YOUR HSA-Eligible Plan (if you are not contributing to an HSA), or waive coverage. (With the YOUR HSA-Eligible Plan, if you are contributing to an HSA, you may also contribute to a Limited Purpose Health Care FSA.) The types of expenses the accounts cover are similar

but not identical. Because you do not pay FICA or federal income taxes on money you contribute to these accounts, they are worth considering no matter how small your out-of-pocket expenses may be in a year. Which option—if any—is right for you? Here is a quick comparison to help you think about your decision.

Funding Maximums	You fund with before-tax dollars, up to a maximum of \$4,300 individual/\$8,550 family*. In 2025, the University will provide a one-time HSA contribution of \$200 individual/\$400 family for full-time employees earning less than \$71,000 and Residents and Fellows who enroll in the YOUR HSA-Eligible Plan during the Open Enrollment and satisfy the IRS eligibility requirements. We will also provide a prorated contribution to full-time employees earning less than \$71,000 and Residents and Fellows if they are new hires, rehires, or newly eligible employees as well as employees or Residents and Fellows experiencing a qualifying event. <i>* If you are age 55 or older, you may contribute an extra \$1,000 through pretax payroll deductions to your account for 2025.</i>			
<i>Remember, your domestic partner must be considered your federal tax dependent in order to use HSA, Health Care FSA, or Limited Purpose FSA funds to be reimbursed for his or her health care expenses. If your domestic partner is covered on your health and/or dental plan and is not your federal tax dependent, their medical and dental expenses cannot be reimbursed by your FSA.</i>			

# Tax Savings Beyond Health Care: Dependent Care FSA

## Dependent Care FSA

The Dependent Care FSA is designed to help you reduce your taxes while you pay for dependent care expenses, which permit you and your spouse to work outside the home or to attend school on a full-time basis.

The Dependent Care FSA generally covers day care expenses for:

- Children under age 13 and
- A mentally or physically impaired spouse/domestic partner or a dependent who is incapable of caring for himself or herself (for example, an invalid parent) who lives with you at least eight hours a day.

Only employees who have eligible dependents are permitted to participate. If the plan learns that you have no eligible dependents, you will be automatically removed from participation in the Depen-

dent Care FSA.

You decide in advance how much to set aside for the coming Plan Year. During the year, if eligible expenses arise, you are reimbursed with monies from your account. You can only be reimbursed up to the amount in your FSA when the reimbursement request is made. Employees with funds in a Dependent Care FSA as of December 31 will have 120 days beginning January 1 of the following year to submit reimbursement requests for qualified expenses incurred in the previous calendar year. Please refer to the chart at the bottom of the page to determine how much you can contribute annually.

Child care services will qualify for reimbursement from the Dependent Care FSA if they meet these requirements:

### Expenses That Are Not Reimbursable through a Dependent Care FSA

- Health care expenses for your dependents
- Expenses incurred before the effective date of your FSA
- Expenses for those who are not your eligible dependents
- Dependent care expenses that are provided to one of your dependents by a family member, unless the family member is age 19 or older by the end of the year and will not be claimed as a dependent
- Expenses for food and clothing
- Educational expenses, other than pre-school (if the cost of kindergarten schooling can be separated from the cost of child care, reimbursement is appropriate only for the child care portion)
- Overnight camps

What You Can Contribute to a Dependent Care FSA	
Based on your tax status . . .	You can set aside . . .
If you are single, married filing jointly, or head of household	A minimum of \$100, up to \$5,000
If you are married filing jointly and your spouse's employer offers a Dependent Care FSA	A minimum of \$100, up to \$5,000 in total between the two accounts
If you are married filing separate returns	A minimum of \$100, up to \$2,500
<i>Federal non-discrimination guidelines require the University to test the Dependent Care FSA to ensure that highly compensated employees, as defined under IRS guidelines, do not disproportionately contribute to the Dependent Care FSA. Highly compensated employees may have their FSA maximum contribution amount reduced if the test results do not meet federal guidelines.</i>	

- The services may be provided inside or outside your home but not by someone who is your minor child, your spouse, or the child's parent (if the child is under 13), or dependent for income tax purposes (for example,

- an older child).

  - If the services are provided by a day care facility that cares for six or more children at the same time, it must comply with all applicable state and local laws and regulations.
  - The services must be incurred to enable you, or you and your spouse if you are married, to be gainfully employed.
  - The amount to be reimbursed must not be greater than your income or the combined income of an employee and spouse, whichever is lower.
- Services must be for the physical care of the child, not for education, meals, etc.

Allowable dependent care expenses include payments to the following when the expenses enable you, or you and your spouse if you are married, to be gainfully employed:

  - Child care centers
  - Family day care providers
  - Babysitters
  - Nursery schools
  - Caregivers for a disabled dependent or spouse who lives with you
- Household services, provided that a portion of these expenses are for a qualifying dependent incurred to ensure the dependent’s well-being and maintenance
  - Before and after school care
  - Day camps

In the case of divorced or separated parents, a child is treated as a dependent of the custodial parent (the parent having custody for the greater portion of the calendar year) only.

# Choose Your Dental Benefits

Maintaining good health starts with good habits, like seeing your dentist regularly. The University of Rochester helps you maintain your dental health by providing you with the choice of two Dental Plans. The Dental Plans are administered by Excellus BlueCross BlueShield.<sup>11</sup>

<sup>11</sup> Excellus BlueCross BlueShield reserves the right to pay for a less expensive treatment, if appropriate.

Eligible employees have the choice of the:

- Traditional Dental Assistance Plan
- Medallion Dental Plan

Regardless of which Dental Plan you select, you may visit the dentist of your choice. You may save more on your dental expenses if you visit a dentist who participates with Excellus BlueCross BlueShield.

More than 600 area dentists currently participate with Excellus BlueCross BlueShield. To view a list of participating dentists, go to [www.excellusbcbs.com/ur](http://www.excellusbcbs.com/ur) and click Find a Doctor toward the top, then select Find a Dentist from the drop-down menu or call Excellus’s Customer Service at 1-800-659-2808 to request a print copy free of charge.

Note: Excellus BlueCross BlueShield reserves the right to pay for a less expensive treatment, if appropriate.		
	Traditional Dental Assistance Plan	Medallion Dental Plan
Details	The Dental Plans allow you the freedom to see any dentist you choose. However, non-participating dentists are not obligated to accept Excellus BlueCross BlueShield’s allowed amounts as payment in full and will balance bill any amount in excess of Excellus BlueCross BlueShield’s allowed amounts. It is recommended that you request a Predetermination of Benefits prior to receiving any care expected to exceed \$300 by a non-participating dentist.	
Enrollment	Coverage for eligible faculty and staff members is effective the first of the month following your date of appointment or on the date of appointment if it occurs on the first of the month. Coverage for Residents and Fellows is effective the date of hire or appointment. Your enrollment form must be received by the Office of Total Rewards within 30 days of when you become benefit-eligible.	
Cost of coverage (retirees pay premiums based on Post-Retirement Grandparent Level)	You pay a share of the premium through pre-tax payroll deductions.

## When You Can Make Benefit Changes Outside of Open Enrollment

You can only enroll in or change your Health Care Plan options, Dental Plan, VSP Vision, and FSA contributions or add eligible dependents to your Health Care Plans, VSP Vision Care, or Dental Plan during the year if you experience a change that is a considered a qualifying event. **Changes due to a qualifying event must be received within 60 days of the qualifying event.**

Effective date of coverage will generally coincide with the qualifying event date. Where a coverage change is effective midway through a payroll period, your employee contribution for that payroll period will be determined based on your coverage election in effect as of the last day of the payroll period. For example, if an employee elected to add coverage midway through the payroll period, the employee would be charged the full (not prorated) employee contribution for that pay period, even if coverage was in effect for only part of the pay period. Likewise, if an employee elected to drop coverage midway through a payroll period, the employee would not be charged any payroll deduction for that pay period, even though coverage was in effect for part of the payroll period.

In most cases, newly benefit-eligible faculty and staff will have 30 days to enroll for benefits, and their Health Care and Dental Plan elections will be effective the first day of the month following or coinciding with the hire date. If you enroll by the 15th of the month, VSP Vision Care elections will be effective the 1st of the following month. If you enroll between the 16th and the 30th/31st, elections will be effective the 1st of the second following month. Newly benefit-eligible SMH residents and fellows will also have 30 days from their hire or appointment date to complete their benefit election, and their Health Care and Dental Plan enrollments will be effective as of their hire dates or appointment date. However, please note that benefit-eligible employees rehired within 30 days or less after termination, or who return to work within 30 days or less after commencing a leave of absence (except in the case of FMLA or USERRA leave), shall automatically be reinstated in his or her pretermination (or preleave) elections unless another qualifying event permits a change. If an individual terminates employment with an affiliate of the Univer-

sity that does not participate in the Plan (for example, Highland Hospital), and is hired by the University within 30 days or less, then the employee will be able to enroll and make new elections in this Plan due to the change in worksite, but those election changes will be prospective only (i.e., coverage will not be retroactive to the date of hire).

Similar to midyear coverage changes, where enrollment for new hires is effective midway through a payroll period, your employee contribution for that payroll period will be determined based on your coverage election in effect as of the last day of the payroll period. For example, if your new hire coverage becomes effective midway through a payroll period, your employee share of the premiums for that payroll period will be the same as for an employee who had coverage for the entire payroll period.

Cost Decrease: You may elect new coverage or change coverage to another plan.	No change is permitted.	No change is permitted.	No change is permitted.	Date of qualifying event.
<p>* Any request to change an FSA must be consistent with the qualifying event (e.g., if you have a Health Care FSA, you may increase or decrease your contribution if you have a loss of coverage under your spouse's or former spouse's plan. If you have a Dependent Care FSA, you may increase or decrease your contribution if your qualifying event results in a change in your dependent care expenses).</p> <p>† If you enroll for coverage under the YOUR HSA-Eligible Plan as the result of a qualifying event, you may be eligible to contribute to an HSA. However, the HSA contribution maximums are prorated if you will be covered by the YOUR HSA-Eligible Plan for less than 12 months of the current calendar year.</p> <p>§ If you terminate coverage under the YOUR HSA-Eligible Plan as the result of a qualifying event, any contributions you make to your HSA via payroll deduction will stop on the effective date.</p> <p>¶ When changing due to a qualifying event, the FSA annual election cannot be reduced below the amount of payroll contribution already deduction or claims submitted for the calendar year if it would result in a negative balance, and the change must be consistent with the qualifying event.</p> <p># For rules regarding the eligibility of a domestic partner and/or their dependents, please refer to the University of Rochester certification of domestic partner status form at <a href="http://www.rochester.edu/totalrewards">www.rochester.edu/totalrewards</a> (go to Benefits forms and summaries and select Domestic partner forms), or you may request a copy from the Office of Total Rewards by phone (585) 275-2084 or email (<a href="mailto:totalrewards@rochester.edu">totalrewards@rochester.edu</a>). In order to add a qualified domestic partner for coverage, the University of Rochester certification of domestic partner status form, along with a completed Qualifying Event Change form, along with a copy of your legal domestic partner certificate/agreement, must be submitted to and approved by the Office of Total Rewards.</p> <p>**If the dependent that experiences an election change event with their own employer is not eligible for pre-tax benefits when covered as a dependent through the University (e.g., your domestic partner who is not your tax dependent), then the election change options are even more restrictive under federal tax law. In that circumstance, you can only make election changes with respect to other dependents who are also not eligible for pre-tax benefits; you cannot make any election changes with respect to your own coverage or coverage for your dependents who are eligible for pre-tax benefits.</p> <p>†† If your account lapsed during your leave, you may elect coverage at the prior level or at a prorated level (the prorated level is your elected annual FSA contribution amount, adjusted for the period of time you were out, minus any reimbursements you have received year-to-date). <b>If you fail to pay premiums or contributions . . .</b>	Your coverage is canceled effective the last day of the period for which premiums were paid. COBRA is not available.	Your participation terminates effective the last day of the period for which contributions were made. Health Care FSA: COBRA is not available. You will have 90 days from the effective date of the termination to submit eligible expenses incurred prior to the cancellation date. Dependent Care FSA: You will have 120 days beginning January 1 of the following year to submit eligible expenses incurred during the prior plan year. The amount available for reimbursement is limited to the amount credited to your Dependent Care FSA, less any prior reimbursements.	You maintain your HSA and may make after-tax contributions directly to the trustee/custodian.
<b>If you are on Workers' Compensation . . .</b>	Coverage continues as long as you remain an employee (and if your claim extends beyond 6 months, you are receiving LTD benefits). Premiums will be deducted from your paycheck while you are receiving a paycheck from the University of Rochester. Premiums will not be deducted from the checks issued by Gallagher Basset; however, premiums for that time period will be deducted from your University paycheck upon your return to work unless you enroll in quarterly billing to pay your share of your health and/or dental premiums.	FSA participation continues for the first seven days while you are receiving payments under the Workers' Compensation Plan paid through the University of Rochester payroll. When you return to work in a benefit-eligible position, if you wish to elect an FSA, you must enroll within 60 days of your return. Health Care FSA: After the seven days, you must elect COBRA continuation coverage and remit after-tax contributions to submit eligible expenses incurred during this time period. You will have 90 days from the effective date of your approved Workers' Compensation claim to submit eligible expenses incurred prior to the FSA cancellation date. Dependent Care FSA: Since Dependent Care FSAs are established to allow the employee to work, Dependent Care FSAs are suspended. You will have 120 days beginning January 1 of the following year to submit eligible expenses incurred during the prior plan year. The amount available for reimbursement is limited to the amount credited to your Dependent Care FSA, less any prior reimbursements.	HSA participation continues for the first seven days while you are receiving payments under the Workers' Compensation Plan paid through the University of Rochester payroll. After the seven days, HSA contributions via payroll deduction will stop as of the effective date of your approved Workers' Compensation claim. When you return to work in a benefit-eligible position, if you wish to elect an HSA, you must make a new contribution election. You may make your own tax-deductible HSA contributions during leave.
<b>If you terminate or change to an ineligible status . . .</b>	Your Plan coverage will be canceled effective on the last day of your current pay period in which you are benefits-eligible. When coverage stops, you will be sent a separate document that explains your rights under COBRA continuation coverage. Coverage for your dependents ends on the earlier of the date that your coverage ends or the date that your dependent no longer qualifies as an eligible dependent.	Your FSA participations stops as of your termination date or change to an ineligible status. When coverage stops, you will be sent a separate document that explains your rights under COBRA continuation coverage for the Health Care FSA. Health Care FSA: You will have 90 days from your date of termination or change to an ineligible status to submit eligible expenses incurred prior to the FSA cancellation date. Dependent Care FSA: You will have 120 days beginning January 1 of the following year to submit eligible expenses incurred during the prior plan year. The amount available for reimbursement is limited to the amount credited to your Dependent Care FSA, less any prior reimbursements.	HSA contributions† via payroll deduction stop as of your date of termination or change to an ineligible status. However, your HSA is solely owned by you and will continue with you even after you are no longer employed by the University or if you otherwise become ineligible for benefits. This means that you can continue to make contributions to your HSA as long as you are enrolled in HSA-eligible coverage, and you will continue to have access to the funds in your HSA. Your HSA will move from the University group to an individual account within the bank, so please contact HSA Bank for details.

<b>If you die . . .</b>	<p>Health Care Plan<sup>6</sup>: (1) And you had more than five years of service and were eligible to retire, your family members' health coverage will continue at the active cost-sharing for one year if your surviving spouse/domestic partner and/or eligible children are non-Medicare-eligible. After one year: After one year, your family members' cost-sharing will be equal to the full premium of the plan they are enrolled in. Certain legacy eligibility/subsidies may exist; please contact the Office of Total Rewards for more information. Your family members' cost-sharing will be equal to the full premium of the plan they are enrolled in.</p> <p>(2) And you had more than five years of service but were not eligible to retire, your family members' health coverage will continue at the active cost-sharing for one year. After one year, your non-Medicare-eligible family members will be offered 36 months of COBRA continuation coverage.</p> <p>(3) And you had fewer than five years of service, your family members will be offered 36 months of COBRA continuation coverage in the health care plan.</p> <p>Dental Plan: Your family members will be offered 36 months of COBRA continuation coverage in the Dental Plan (regardless of your length of service or retirement eligibility).</p>	<p>Your FSA participation will end as of the date of your death.</p> <p>Health Care FSA: Any claims incurred prior to your death must be submitted for reimbursement within 90 days. Your family members may elect COBRA on the Health Care FSA and remit after-tax contributions for the remainder of the Plan Year; this will allow them to receive reimbursement for claims they incur after your death.</p> <p>Dependent Care FSA: Your family will have 120 days beginning January 1 of the following year to submit reimbursement requests for qualified expenses incurred prior to your death. The amount available for reimbursement is limited to the amount credited to your Dependent Care FSA, less any prior reimbursements.</p>	<p>If your spouse is the primary beneficiary, your spouse will have the option to transfer the balance from your account into a new account in his/her name and continue to use the funds for tax-free, qualified expenses. <p>* If you return to work within 30 days, your prior elections will automatically be reinstated upon your return.</p> <p>† Only faculty and staff who are enrolled in an HSA-Eligible Plan and satisfy certain other requirements can make contributions to an HSA. If you are enrolled in an HSA-Eligible Plan and eligible to contribute to an HSA, you can contribute directly to your HSA, outside of payroll deductions, at any time, as long as you do not exceed your annual maximum. You also can change your HSA election (payroll deductions) anytime throughout the year.</p> <p>‡ Employees and retirees enrolled in coverage through the University and not receiving paychecks from the University will be billed for their share of the health and/or dental premiums on a quarterly basis. Non-Medicare-eligible employees and retirees must continue to pay their share of the premium for the Health Care Plan and Dental Plan coverage to continue coverage through the University. If the University does not receive payment for the coverage, the coverage will be terminated on the last day of the month in which the premium has been paid in full and notification of the coverage cancellation will be sent to the home address from the University. Employees and retirees whose coverage has been canceled due to non-payment will not be eligible to re-enroll in Health Care Plan or Dental Plan coverage until the next Open Enrollment period and until any premiums past due are paid to the University. Employees and retirees returning to work with an outstanding balance will be subject to arrears billing. The employee's share of the premium is based on their salary, University service and full-time/part-time status prior to the start of the layoff.</p> <p>§ The University reserves the right to change or terminate plans at any time, including benefits provided to current and future retirees.</p> <p>¶ For information on Medicare-eligible plans offered through Via Benefits, please visit <a href="https://my.viabenefits.com">my.viabenefits.com</a></p>			

The following definitions apply for this Appendix B:

- *Layoff (indefinite)*—An indefinite suspension of University employment because of reduction of staff or elimination of a position for more than four months or for unspecified duration, not over one year.
- *Layoff (temporary)*—A layoff that equates to a temporary suspension of University employment because of reduction of staff or elimination of a position with the expectation of return to work within four months of the day the layoff begins.
- *Leave of Absence*—An approved absence which does not end but does change the appointment relationship. Leave may be for research or study, to permit a visiting appointment elsewhere, for personal reasons, or for disability.
