

Verification of Grants & Scholarships 2025-2026

University of Rochester Financial Aid Office

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. On your 2025-2026 FAFSA, you reported that a taxable student grant and/or scholarship was included in either yours or your parent's adjusted gross income for 2023. You should only report a dollar amount for this question if you or your parents were required to list the grants and scholarships as taxable income on the federal tax return (the amounts for these awards would be reported on Line 1 of the 1040).

Review the instructions below, complete and sign Section B of the form, and attach any required documentation before submitting it to the Financial Aid Office.

Keep in mind that by signing this form, you acknowledge that the submitted information is true and correct to the best of your knowledge. In addition, you understand that purposely providing false or misleading information on this form may result in reduction or repayment of aid, fines, and/or imprisonment in this and/or future years.
